Attachment Processes In Couple and Family Therapy, 2003 ...

In Western culture, a romantic commitment is almost always made only after a couple has begun to feel attachment-related feelings toward each other. Yet because the attachment system is nonrational, commitment to romantic relationships cannot be equated with highly cognitive commitments, such as the decision to select a particular stock portfolio.

Attachment Processes and Commitment to Romantic ...

Attachment theory informs many attachment-based couples therapy models such as Imago, and the science-based couples treatments; Emotionally-Focused Couples Therapy, and the Gottman Method. During an assessment , our Big Big Book not only reveals the dominant attachment styles of the couple, but it also gives us a numerical score across all four attachment styles.

Attachment-Based Couples Therapy and Attachment Theory

Choosing to commit to a relationship can be a rational, economical process of weighing pros and cons. But it's not hard to imagine that there are less rational processes—like attachment—at ...

Adult attachment, working models, and relationship quality in dating couples. Journal of Personality and Social Psychology, 54, 644-663. Please note: Information regarding the Adult Attachment Scale can be found in Collins & Read (1990) and Collins (1996).

Revised Adult Attachment Scale (Collins, 1996)

Although the basic tenets of attachment theory argue for the existence of attachment bonds throughout the lifespan, the systematic investigation of attachment processes in adult couple relationships did not begin until Cindy Hazan and Philip Shaver (1987) identified styles of attachment in adulthood that parallel those observed among infants.

Attachment - Couple Relationships, Parent-child ...

In the process, I discovered the Couple Attachment Interview. I was introduced to it by Carolyn and Phil Cowan. While many of you may know the AAI, this interview is specific to couples. The CAI is an interview where an individual provides a narrative about his/her relationship with a current romantic/marriage partner.
