BMW E92 335i manual transmission whine

I took it in, and the dealer said there was 'internal failure'. Needless to say - they had to replace the transmission, clutch, and flywheel. BMW has denied helping out to pay for the defective transmission - which really disappoints me (cost me \$10-12k). The car is out of the 4 yr warranty, but well within the 50k miles limit.

Anyone else with Manual transmission failure?

I have a 2011 335i x Drive manual (which I adore) and it needs a new transmission at 52k miles! I was leaving lunch yesterday with a friend and my manual transmission would not go in reverse. BMW dealer says I need a new transmission at \$7k (reverse synch is broken?), but they will cover it. Whew. Thank you, BMW. I barely had to cry at all.
