Corporate Law Corporation Legal Guide

A corporation is a legal entity created under state law, usually for the purpose of conducting business. The law treats a corporation as a person that can sue or be sued. A corporation is separate from its individual owners, or shareholders, who own stock in the company. Corporate law encompasses all of the legal issues that corporations can face.

What is Corporate Law? - Guide to Hiring a Lawyer - FindLaw

corporations: an overview. A corporation is a legal entity created through the laws of its state of incorporation. Individual states have the power to promulgate laws relating to the creation, organization and dissolution of corporations. Many states follow the Model Business Corporation Act. (See Minnesota's adoption.) State corporation laws require articles of incorporation to document the corporation's creation and to provide provisions regarding the management of internal affairs.
