### Firearm Acquisition & Disposition Log: Extra Large - Pages ...

A&D records track all of the firearms that an FFL has received or made (acquired) and each of those firearms that the FFL has either sold, transferred, or destroyed (dispositions). Your A&D records not only show the history of your gun business, they also are what the ATF will use to conduct an inventory during an ATF compliance inspection.

### Best FFL Software for A&D Records - RocketFFL

If a gunsmith repairs a firearm and returns the firearm to the person from whom it was received on the same day it was received, an acquisition and disposition entry is not required in the A&D record. If the firearm remains on the premises until the next business day, a record of acquisition and disposition must be made in the permanent record.

### Gunsmith Record Keeping | Gunsmith Record Requirements ...

record the acquisition and disposition of firearms. Federal regulations at 27 CFR 478.123(c) provide that ATF may authorize alternate records of the disposal of firearms when it is shown by the licensed manufacturer that the alternate records will accurately and readily disclose the

### U.S. Department of Justice

The Gun Control Act of 1968 requires FFLs to keep and maintain acquisition and disposition records throughout course of business. The type of information an FFL needs to keep and the duration for which they need to keep it depends on the type of license. An importer must maintain different information than a standard dealer, for instance.
