Just Ask the Universe (Unabridged) on Apple Books

We all ask the universe for things; it's not always a conscious process, but through our hopes and dreams, every one of us puts in requests in one form or another. What that power is and how it works is a matter for debate – God, the universe, the source, cosmic energy – it doesn't really matter. Asking for something can work.

7 CRUCIAL Steps To Asking The Universe For Something You Want
