The essays in this book trace the development of Joel Migdal's "state-in-society" approach. The essays situate the approach within the classic literature in political science, sociology, and related disciplines but present a new model for understanding state-society relations, which ally parts of the state and groups in society against other such coalitions, determine how societies and states ...

We are honored and grateful to work with a generous group of colleagues. The Washington Health Law Manual is now in its Fourth Edition and maintained in an online format. The manual was previously published in 1996, 1998, and 2006, and we acknowledge the countless hours of all the volunteers who made the Fourth Edition and prior versions possible.
