Inference is just a big word that means a conclusion or judgement. If you infer that something has happened, you do not see, hear, feel, smell, or taste the actual event. But from what you know, it makes sense to think that it has happened. You make inferences everyday.

Inferences and Conclusions - Cuesta College

People continuously are making inferences and drawing conclusions about all sorts of things that they're seeing, hearing, and reading in their everyday lives. If we go to the store, for example, and see an older adult staring at something high on one of the shelves, we could infer that that person wants that specific item.
