The Moral Animal Why We

Unlike many books on the topic, which focus on abstractions like kin selection, this book focuses on Darwinian explanations of why we are the way we are--emotionally and morally. Wright deals particularly well with explaining the reasons for the stereotypical dynamics of the three big "S's": sex, siblings, and society.

The Moral Animal: Why We Are, the Way We Are: The New ...

I finished Robert Wright's "The Moral Animal: Why We Are The Way We Are" yesterday, a look into the human mind through the perspective of evolutionary psychology. Wright is a deterministic Darwinist and firmly believes that the concept of free-will unfettered by the bounds of our species' evolutionary history is an illusion.
