Sewing Machine Instruction Manuals-PDF Download

Sewing machine manuals are considered a "part," or an essential piece of equipment to the machine. For those who know the make and model of the sewing machine, it's likely they'll be able to locate a manual. The first step is finding the machine's manufacturer and model number. Most machines have a manufacturer's name somewhere on the machine.

The age of the Montgomery Ward sewing machine is going to start about age 20 and grow older from there. Since the company went out of business at the turn of the century you will not find any younger models. Like all sewing machine brands, you can find some older ones that won't quit working but those may be few and far in between.
